

Cookie policy

Information about our use of cookies

Our website uses cookies to distinguish you from other users of our website. This helps us to provide you with a good experience when you browse our website and also allows us to improve our site. By continuing to browse the site, you are agreeing to our use of cookies.

A cookie is a small file of letters and numbers that we store on your browser or the hard drive of your computer if you agree. Cookies contain information that is transferred to your computer's hard drive.

We use the following cookies:

- **Analytical/performance cookies.** They allow us to recognise and count the number of visitors, in which geographical location our visitors are based, and to see how visitors move around our website when they are using it. This helps us to improve the way our website works, for example, by ensuring that users are finding what they are looking for easily.
- **Targeting cookies.** These cookies record your visit to our website, the pages you have visited and the links you have followed. We will use this information to make our website more relevant to your interests. We may also share this information with third parties for this purpose.

Please note that third parties (including, for example, advertising networks and providers of external services like web traffic analysis services) may also use cookies, over which we have no control. These cookies are likely to be analytical/performance cookies or targeting cookies but we cannot confirm this for certain.

Consent

If you visit our website when your browser is set to accept cookies, we will interpret this as an indication that you consent to our use of cookies and other similar technologies as described in this Cookie Policy. If you change your mind in the future about letting us use cookies, you can modify the settings of your browser to reject cookies or disable cookies completely.

You can block cookies by activating the setting on your browser that allows you to refuse the setting of all or some cookies. However, if you use your browser settings to block all cookies (including essential cookies) you may not be able to access all or parts of our site.

Except for essential cookies, all cookies will expire after 24 hours.

Any changes we may make to our Cookie Policy in the future will be posted on this page. Please check back frequently to see any updates or changes to our Cookie Policy.
